5 Understanding/Consent and Signature
<p>I commit to keeping my Operation Pollinator site out of production for a minimum of TWO years. However I understand that it is encouraged land remain as dedicated pollinator habitat long-term. I understand that I will receive payment of \$200.00 per acre up to a maximum of 2 acres after establishment; and the pollinator seeds are provided to me at no cost for the 2-acres site as a one-time provision. Site verification will be in-person by PEIDA. For payment to occur, PEIS CIA must receive establishment verification by September 25, 2026. I understand that the information provided on this form and through related correspondence with PEIS CIA will be shared with Syngenta Canada Inc. its affiliates ("Syngenta"). I agree to the collection, use and disclosure of this information by and between PEIS CIA and Syngenta for the purposes of Syngenta sustainability accounting ("Sustainable Agriculture Excellence Reporting") and ESG reporting. Should you not be the landowner of the planting site(s), you agree and warrant that the consent of each landowner to the collection, use and disclosure of this information by and between PEIS CIA and Syngenta. I further acknowledge that: (i) I may withdraw this consent at any time by contacting the Syngenta Canada Inc. Privacy Officer at: data.privacy@syngenta.com and writing "Privacy" in the subject line; and (ii) in some cases, withdrawing consent may prevent Syngenta from providing certain services or benefits to me. For full information regarding operation pollinator and terms of conditions visit https://go.syngenta.ca/operation-pollinator-enrollment-verification/.</p> <p>Name (print) _____ Date _____</p> <p>Signature _____</p>
